RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sirs:

In response to the Restriction Requirement mailed May 30, 2001 with respect to the patent application identified above.

The Examiner has required restriction of the application to one of the groups of claims under 35 U.S.C. § 121. The Applicants, by their attorney, now elect the claims of group one, claims 1-7 and 39-47. Accordingly, but without prejudice to the patentability of the subject matter therein, please cancel claims 8-38 and 48 - 78. Because all inventors participated jointly in claims 1-7 and 39-47, no amendment of inventorship is believed necessary. Favorable action is now solicited.

Respectfully

T. L. Colpitts, *et al.*
